Handai Metaphysica 特別講演会第20回(公開)

講演題目: Ground and Consequence

講師: Prof. Benjamin Schnieder (ハンブルグ大学)

2016年7月1日 (Fri) 13:00-14:30

文法経講義棟3F「経33教室」(大阪大学豊中キャンパス)

使用言語:英語

主催:哲学思想文化学専修

(問い合わせ先:入江幸男 irie@let.osaka-u.ac.jp)

This lecture discusses the notion of logical consequence. The classical approach to the notion proceeds in terms of modality: x is a consequence of y iff it is necessary that if y is true, so is x. It is argued that this account is beset with certain problems, and a new account is developed in terms of the explanatory connective 'because'.

...,because ...
